Retirement of Two Long Serving Members of WCCS Leadership Team
Mrs Patricia Jackson started working at William Carey in 1988 and has held roles teaching Maths, Science and Biblical Studies. She has contributed immensely to the school community in leadership roles as Deputy Principal of the High School and then moved to the role of Director of Teaching and Learning, ensuring that our school is delivering a quality education and shaping our teaching and learning culture.

Mrs Rhonda Heard has taught in the Primary school since 1996, working closely with Mr Burgess in her role as Assistant Deputy Principal. Rhonda Heard has contributed to the life of the school working closely with our Year 6 students, preparing them well for their step up into High School. She has also established many programs which support the students and families of the Carey community.

Both these long serving staff have invested deeply in the lives of our students and their families, building relationships which have lasted long after the students graduated from Year 12. The time and effort given way beyond the normal expectations of their roles, is a measure of their passion for education and desire to serve God at William Carey Christian School.

WCCS Teacher Honoured with Award
I am excited and want to congratulate one of our teachers, Mrs Rachel Dibden, on receiving The NSW Teachers’ Guild ‘Early Career Educator Award’. This award recognises excellence in teaching practice and the recipient receives a cash prize to support further professional development. Mrs Dibden teaches in the Science Department and is also one of our High School ICT integrators, working to train and support staff in embedding technology into the classroom.

Communication Between Staff and Parents/Carers
I enjoyed the opportunity to speak with some of the High School families at the recent 7-10 parent teacher interviews. Feedback on the evening was very positive with comments about the value of speaking with teachers about their children’s progress. I would like to encourage all families to seek to maintain good lines of communication with staff through the student planners and by email.

“How great you are, Sovereign LORD! There is no one like you, and there is no God but you, as we have heard with our own ears.” 2 Samuel 7:22

Keith McMullen
Principal

Creative Arts Cocktail Night
Page 8
Important Points on Attendance Procedures

The school is required by the Education Reform Act 1990 to monitor the daily attendance or absence of students in the school by maintaining a daily register for each class of students.

Parents, you have seven days in which to provide a satisfactory reason as to why your child was absent before it cannot be changed in our system and is listed as an “unjustified reason”.

Note: parents / carers cannot enter student absences in advance on the parent portal.

Extended Absences

If your child requires time off school, parents should check the school calendar to ensure important school events are not missed (e.g. year group examination periods). All extended time off needs to be first approved by the Principal.

As part of the implementation of the National Standards, holidays taken by students outside of school vacation periods are included as absences. Families are encouraged to holiday or travel during school vacations. Parents should complete the appropriate form ‘Application for Leave’ which is found on the school’s website. The Principal has the discretion to approve the leave and consider the conditions/consequences applicable to the acceptance of an Application for Leave.

For other extended leave, parents should complete the ‘Application for Exemption from Attendance’ form as early as possible and submit it to the Student Office for approval.

Providing Reasons for Absences

The three options for how you can provide an explanation for your child’s absences:

- A written note or doctor’s certificate, OR
- Print the pdf document from the email and fill it in, OR
- Open the parent portal and record the absence.

(Note: You will not be able to provide a reason if the absence is already older than the seven days allowed OR is for a future date).

To record the absence via our parent portal:

- Click on the link in the message or navigate to the address https://edumate.willcarey.nsw.edu.au
- Log in using your parent portal credentials as provided by the school.
- Select “Home> Carer portal”
- Select the student for whom you wish to record an absence reason from the tabs across the top.
- Scroll down to the section titled “Recent Absences” and locate the date in question.
- Tick the correct box and save.

SMS Notifications

We will notify each parent by SMS in the morning of a noted absence for your child. This will be supported by an afternoon system generated email (with attached letter with return form if needed). Note: If you receive an SMS/email in error please contact the school to clarify. This may occur when a student arrives late to school and does not get a late note from the student office or does not have a verified reason for being late.

For these attendance procedures to work, parents /carers need to have provided current mobile phone number(s) and email address(es) for the carer(s) who live with the child. These details can be changed through the parent portal.

In His service,
Anthony Hudson.
Deputy Principal
Administration.

(On behalf of the High School Deputies)
From your
Primary School Deputy Principal

National Science Week

I have just walked back into my office, after watching an amazing display of flying machines on the Primary Oval for Science Week. Mr Post brought in his collection of what you and I might call drones, but are actually “unmanned aerial vehicles”. Mr Post skilfully manoeuvred a variety of machines, to the awe of the assembled students. Thank you Mr Post, for making Science Week a real highlight of Term 3.

Students also participated in the paper planes competition, as part of Science Week. An interesting variety of planes were launched, as students sought to break the current school record of 25.75m. A video of some of these attempts can be found on the school’s Facebook page.

Parent/Teacher Interviews

Parent/teacher interviews are coming up soon. By the end of this week, all families should receive a note outlining how to log on and make an appointment. Please note that interviews are arranged through the PTO website, which is different from the Parent Portal.

NAPLAN

Students in Years 3 and 5 have received their NAPLAN results recently. The school has a copy of all results as well, and teachers will be available to discuss these results at the upcoming interview night. The school also analyses the results carefully, looking at both individual students and school programs.

Emploment Opporunity - Learning Support Assistants

The Primary School is currently looking for some more Learning Support Assistants to work with the children. See the advertisement on Page 5 if you are interested.

The LORD is my strength and my defence; he has become my salvation. Shouts of joy and victory resound in the tents of the righteous: “The LORD’s right hand has done mighty things! The LORD’s right hand is lifted high; the LORD’s right hand has done mighty things!” Psalm 118:14-16

In His service,
Robert Burgess

Term 3 is up and well underway. We hope that everyone has settled in well!

Year 12 Exams
Year 12 have finished their trials. The wait for results can be a very daunting time for our students. We encourage everyone to keep these students in your prayers. Pray that God will grant them patience as they wait for their results and that they will be able to maintain motivation during the final stretch of their high school careers. Good job Year 12! You’re almost there :)

J Walk
J walk is an event we look forward to each term. It is a time where all high school students can come together, learn more about our awesome God, and encourage one another. The planning stages of J walk have begun, get excited! It has been scheduled for Thursday week 8, this term. Make sure to keep your lunchtime free and encourage your friends to come along.

ESU Cafe
The ESU Cafe is an annual event held by our lovely ESU teachers and students, for the staff of William Carey. It runs for six days over two weeks, catering for twelve staff members, for recess and lunch each day. This year's menu had a Mexican twist! Nachos and Chicken enchiladas, yum! We have heard nothing but great reviews of delicious food and friendly service. Well done to all the students and staff members involved.

Find us on Instagram
Don’t forget about about our Instagram accounts. The SLC operated account, @studentsatcarey, and the school account, @william_carey_cs. Stay updated with events and stories from Carey!

Philippians 4:6 - “Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.” We live in a world where we are confronted with many stressful situations. Isn’t it amazing that we have a Saviour who is always listening and hears us when we cry out, no matter how big or small the situation. How comforting to know that we have a sovereign God who is bigger than all of our problems and can calm the waves in any of our storms.

For God’s Glory,
Kyle Broadribb and Abbey Hyde

ENROLMENTS

If your family is leaving the school at the end of the year, please remember that the school requires a term’s notice in writing, signed by both parents/carers, clearly stating the last day of the student/s attendance and advising of their new school/s.

Failure to give the appropriate notice may result in additional fees being charged.

Please address withdrawal letters to the Enrolments Office. Further queries can be directed to Mrs Lee or Mrs Hall in the Enrolments Office.
The Primary Department of William Carey Christian School is looking for interested people to apply for the position of Casual Learning Support Assistant. As with all positions at William Carey, applicants must have a personal commitment to Christ, based upon a reformed evangelical understanding of the Bible.

Due to a number of current staff taking leave, we require new staff who are available for both occasional work as well as five days per week blocks, covering a number of weeks.

The position would involve/expect:
- Experience in working with children
- Assisting teachers in classroom activities
- Supporting students with special needs
- Administering programs under the supervision and direction of a teacher

Training would be provided, as required.

All applications must be made on the school’s application form. The application form is available for download from the school website, under the Home Tab → Job Vacancies, or contact the Primary Department (02) 9608 2277.

UNIFORM SHOP
Blazer Fitting Days

**Year 11 (2017)** Wednesday, 9th November, 2016

**Year 7 (2017)** Thursday, 9th February, 2017

Both commence at 9:00 am.

Year 11 and 7 students for 2017 will visit the Uniform Shop at rostered times throughout these days. Our specialist fitter will be in store on these occasions, and therefore, these days are also suitable for any students who require special sizes to attend the Uniform Shop during recess for a fitting.

Any other students who are in need of a new blazer are welcome to visit the Uniform Shop at any time. Please note that Thursday, 9th February, 2017 will be the last day to order blazers to be delivered in time for Term 2, 2017 - when winter uniform is required at WCCS.

All blazer orders require a $100 deposit.
SAFETY NOTICE TO USERS OF THE SCHOOL CAR PARK

We have been alerted to a safety concern that is happening in the front car park during the afternoon pick up. A number of people are walking into the school using the car access only roadway. This behaviour presents a risk as cars have to negotiate their way into the school past pedestrians.

Pedestrians are to use footpaths provided at all times. Pedestrians are not permitted to enter the school using the roadway.

If you walk to school to pick up your child, please model safe pedestrian behaviour by using the footpaths and not the roadway. We work hard with all users of this area to provide the highest level of safety available. Thank you for your help with this.

Mr. D. White
WHS Manager

Once again, the annual Creative Arts Cocktail Night that occurred Week 2 this term provided a fantastic opportunity for our Year 12 Creative Arts students to showcase their HSC bodies of works and performances. This year featured Dance, Life Skills Drama, Music, Life Skills Visual Arts, Visual Arts and VET Entertainment.

The back of the hall was transformed into a display area to showcase the Visual Arts bodies of work and Life Skills Visual Arts. Highlights included a time based video work on the concept ‘Neighbourhood’ by Vishant P and a series of three drawings on the theme of personal generations by Natasha M. Once again, Year 11 Hospitality students under the guidance of Tiffany Webster and Phear Ho catered the evening and provided an excellent food and beverage service.

Dance and Music performances then commenced on stage. A music highlight was Sebastian M and Daniel M’s upbeat ‘Master of Puppets’ performance, where both students conveyed much skill and fluency on the guitar. The two featured Dance performers, Estelle K and Rebecca N, consistently impressed the audience with their energy and technical flair as they performed as soloists. They performed each other’s compositions, major and core performances, seeking to demonstrate a clear intent. Year 11 Entertainment students were also on hand with front of house, photography and videoing, and Elizabeth R and Lucas M emceed the formalities. Once again, the sound team capably supported all the proceedings.

We thank all students, friends and family in the WCCS community who were part of this night. We wish the Year 12 Creative Arts cohort well as they submit their Visual Arts bodies of work, and present for their Dance and Music practical examinations.

Emma Fenton,
Creative Arts Head Teacher
On behalf of the Creative Arts Department
Last Tuesday, all Year 2 students rolled up their sleeves and investigated how chemicals combine to create mixtures. We learnt that some chemicals combine and others can be separated again. We were especially glad for the parents who came in to lend a helping hand as things got rather messy!

Our experiments involved:
1. Gradually adding water to cornflower to make slime and observing how the properties of the mixture changed
2. Trying to mix oil and water (learning how some things don’t combine) and then adding detergent and observing the changes
3. Observing how some everyday materials such as icing sugar and cocoa combine together and how others like rice bubbles and cocoa can be mixed and then separated again
4. Investigating chromatography, the separation of mixtures by running them over or through another substance. We investigated how water-soluble inks run on paper if they are wet.

Students, teachers and parents really enjoyed the afternoon, learning new things through hands-on investigations.
Self-Detection Program for Scoliosis (NSDP)

Scoliosis is a lateral or sideways curvature of the spine. It usually develops during early adolescence (ages 10 - 13) when growth is most rapid. In the early stages of scoliosis most often there are no symptoms, which is why screening this age group is a sound preventative measure. If treatment is required, the earlier it is undertaken, the better the long-term result.

Simple 30 seconds to self-detect for scoliosis

The Self-Detection Brochure for scoliosis can be accessed directly via a link on the Scoliosis Australia home page at www.scoliosis-australia.org. The website contains credible information about the symptoms and treatment of scoliosis. Children and their parents can obtain general advice from certified specialists and there is also a strong support base for adolescent patients with scoliosis and their parents.

**WCCS CANTEEN Winter 2016**

*Please note - all orders must be in by the end of recess.*
CCS Shopping Trip  
Saturday 26th November 2016

Ladies, get a girlfriend or a group of girlfriends together and treat yourselves to a day of shopping and lunch without husbands or kids. This is a day set aside for bargain hunting and getting ready for Christmas. Outlets we are visiting for the day will include many of our favourites visited each year, including Manchester, toys, clothing, World Kitchen/Corningware, homewares, nuts/chocolates/Pure Gelato. An exact list of destinations will be published next term.

We have an air-conditioned coach, a great hostess and we stop in the middle of the day for a well-earned rest and sit down two course lunch. Morning and afternoon tea is also included in the cost. We will also have light refreshments available for you during the day. You have the option to pay this off in small amounts between now and November at the Uniform Shop.

Lunch options include a choice of chicken, steak, fish, as well as a vegetarian option, dessert, with tea/coffee available.

Outlets visited usually donate a gift and these gifts are distributed on the way home at the end of the day, each person’s name tag goes into the draw on the trip home. To make this a fundraiser for the school, we need a minimum of 20 to make 3% of the total spent on the day, with up to 12% for 40 or more people. Last year we spent $10,323.64 between us and raised $423 for the school (this was the minimum of 3%) so well done.

For further enquiries, please call:  
Caroline Young  Mobile 0414 583 103  
Sue Antakley  Office – 9608 2277

Please tear off the bottom slip, complete and return it to the Uniform Shop with your $20 deposit.
