If a family has existing bonds or Trust Fund with the school, these funds will be used to offset this *in-lieu of* notice fee.

Text books, exercise books, school planners (from year three), excursions, sporting and camp fees are provided by the school. Additional costs may apply for some materials in TAS/VET subjects and sporting events beyond zone level. Tuition Fees do not include any digital device required for the *BYOD for Learning* program.

All additional payments are made to the Uniform Shop.
